

Community Advisory Committee
Report to the LMUD Board of Directors
February 10, 2010

The Community Advisory Committee (CAC) held its first meeting at the Lakeway Resort & Spa on January 22, 2010. Members include co-chairs Keith Williams and Cole Rowland, and members Tom Brewer, Nathan Miller and Chad Pierce.

The CAC has met three times, and all members have been present for each meeting. Bob Springer of LCRA has met with the co-chairs and has later met with and advised the whole group as its facilitator.

The group is currently meeting on a weekly basis, but is considering changing to a less-frequent meeting schedule.

After an organizational meeting, the CAC scheduled interviews with LMUD directors, and reported on the results of these interviews at the second meeting. The committee is continuing to meet with citizens in and out of district to discuss LMUD issues.
